PROFESSIONAL ACTIVITY:

- * 1999-Present time: Associate Professor (Profesor Titular) in the Department of Social Psychology and Methodology. Autónoma University of Madrid.
- * 1998-2000: Consultant (Consultor) in Ernst & Young. Department of Human Resources.

DEGREE:

- * Bachelor in Psychology. Autónoma University of Madrid (Spain).
- * Doctor in Social Psychology. Title of doctoral thesis: Efectos perversos de las normas inclumplidas. Aspectos teóricos y experimentales (Perverse effects of unfulfilled norms. Theoretical and Experimental Issues). UAM (Madrid, Spain).

GRANTS AND HONORS:

- * July 2001 to July 2003: Post-doctoral Grant from the Ministry of Sciences and Education (Program MECD, Fulbright)
- * April 1994 to December 1997: Doctoral Grant from the Ministry of Sciences and Education (Program FPU)
- * October 1993 to March 1994: Doctoral Grant from the Autónoma University of Madrid (UAM) and a national electric company (ENDESA).
- * November-1993: National Prize as the 3rd best academic record in Psychology studies (1988-1993).
- * October 1991 to June 1992: Undergraduate Scholarship (Caja Madrid).

RESEARCH INTEREST:

My research interests are focused on the study of the antecedents and consequences of normative fulfillment, the analysis of mixed emotions, and the examination of how the interplay between the different motives influences on prosocial behavior.

February-2002. *Putting Text in Context: The Conflict between Pro-Ecological Messages and Anti-Ecological Descriptive Norms.* Arizona State University (USA).

October-2001. *The recognition of perverse norm and its consequences in people judgements.* University of Kansas (USA).

PARTICIPATION IN FINANCED PROJECTS

* January-2014 to current time: Construal level in the prediction and performance of social behavior: health-risk and moral-prosocial behavior. PSI2014-53321-P. Funding Entity: Ministry of Education and Culture. Position: Principal Researcher.

* July-2013 to December-2014: Promotion of the humanitarian action in the Spanish and Latin-American context: Psychosocial analysis of values profile, emotional dispositions and scope of action. Funding Entity: UAM-Santander. Position: Director

* January-2012 to December-2014: Emotional episodes: Experience, expression, action, and knowledge. PSI2011-28720/PSIC (MEC). Funding Entity: Ministry of Education and Culture. Position: Researcher.

* January-2009 to December-2011: Analysis of the experience, expression, and behaviour produced by complex emotions. PSI2008-04849/PSIC (MEC). Funding Entity: Ministry of Education and Culture. Position: Researcher.

* September-2008 to February-2009. The assesment of transversal skills in undergraduates. Funding Entity: Universidad Autónoma de Madrid (UAM). Position: Researcher.

* January-2005 to December-2008: Characterization of the emotional experience: conceptualization, description and behavioral consequences. SEJ2005-06307/PSIC (MEC). Funding Entity: Ministry of Education and Culture. Position: Researcher.

* July-2003 to July-2005: Influence of persuasive messages of mixed emotions on healthy and ecological behaviors. PG 06-541A-9-640 (UAM). Funding Entity: Autónoma University of Madrid. Position: Researcher.

* March-2004 to March-2005: Development of an instrument of normative management. Funding Entity: Chamber of Commerce. Position: Director.

* October-2003 to March-2004: Project of teaching innovation: Understanding, learning and development of psychosocial research. Funding Entity: Autónoma University of Madrid. Position: Director.

* December-2000 to December-2003: Psychological aspects of normative structure: models of social integration. CICYT BS2000-042. Funding Entity: National Council of Research, Science and Technology. Position: Researcher.

ABROAD ACADEMIC STAYS

* June-2001 to July-2003: Stay in University of Kansas (Kansas, USA) as post-doctorate to work with Professor Daniel Batson.

* September 1997: Stay in Kent University (Canterbury, UK) to participate in research activity conducted by Professor Dominic Abrams.

* March 1994: Stay in Clark University (Massachusetts, EEUU) to participate in research activity conducted by Professor Joseph De Rivera.

PROFESIONAL AFFILIATIONS

European Association of Experimental Social Psychology
Society for Personality and Social Psychology
Society for Study of Motivation

TEACHING EXPERIENCE

Undergraduate: Social Psychology (I and II). Political Psychology. Social Communication.

Graduate: Social Motives. Mixed Emotional Experiences

Master: Research and Development in Organizational Behavior.
